

Sofia

- Sofia is a LED minidownlight, approved for direct installation in insulation and flammable material.
- Easy mounting with existing installation by means of push-in connector (max. 2x0,75 mm²).
- Ideal for mounting under a cabinet in existing cutouts or using a mounting ring (accessory).
- The mounting height of only 12 mm makes it possible to mount Sofia minidownlight in most places.
- Delivered with 3 meter wire.

Accessories: Mounting ring
