

Zeta outdoor

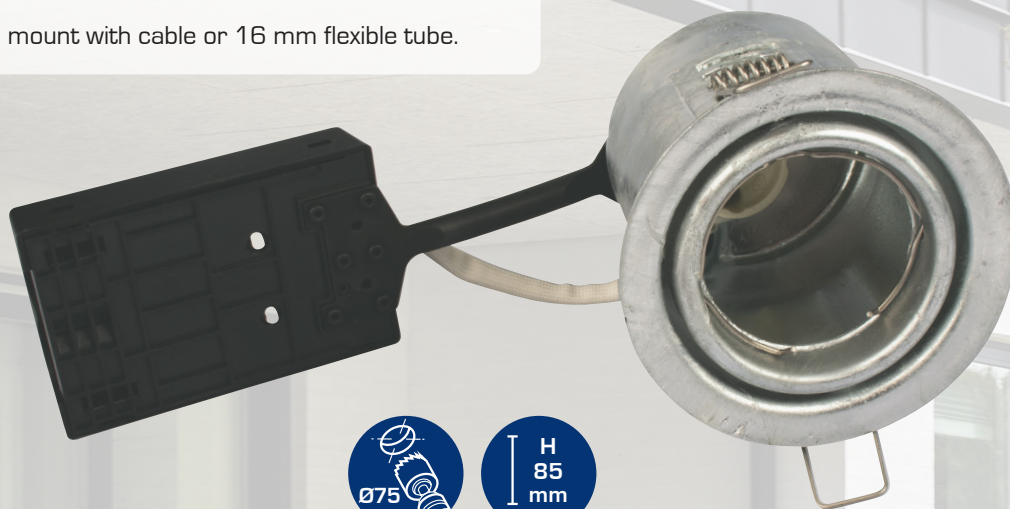

- Zeta is a robust tiltable downlight with a rustic look.
- Zeta is suitable in aggressive environments.
- Also fits with the normal "smart light sources", eg Philips Hue.
- Screwless cable relief and cable mounting in terminal box, ensures a fast and flexible mounting with minimal use of tools.
- Possibility of 2 spring positions - depending on the ceiling construction.
- The mounting height of only 85 mm, ensures many applications.
- It is possible to mount with cable or 16 mm flexible tube.
