- The dimmer even has a memory function.

Technical data:	
Size:	45x45x20 mm
Voltage:	100-240VAC 50 Hz
Max. load at 230V:	200W LED
	200W Capacitive
	400W Resistive
Max .output current:	1,8A
Styrespænding:	8-230V AC/DC
Dimming method:	Trailing egde
Protection:	IP20
Material:	Plastic
Approvals:	CE

Item no.:	EAN no.:
12521	5713080125215
12437	5713080124379
	DIN rail mounting bracket

Wiring diagram

220-240 VAC | IP20 | Indoor | 200W LED | Dimmable | CE
